## Russia & Ukraine Compliance Statement

Knowles Precision Devices is a leading supplier of electronic components, supporting the Council Regulation (EU) 2023/1214 and customer requirements of our industry.

### Council regulation (EU) 833/2014 as amended by (EU) 2023/14

Having regard to Council Decision (CFSP) 2023/1217 of 23 June 2023 amending Decision 2014/512/CFSP concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine. The official Journal of the European Union issued council regulation (EU) 2023/1214 of 23 June 2023 amending Regulation (EU) No 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine

### Russia & Ukraine Declaration

*Dear Valued Customer,*

*As you are all aware the conflict between Russia and Ukraine has had a great impact on business across the globe. We want to notify our customers that we have taken proactive measures to assure our supply chain is not disrupted as a result of this conflict.*

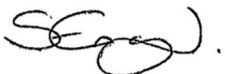

*As stated in prior communications, we have not and do not expect any disruption at this time due to the ongoing conflict between Russia and Ukraine. We also do not source any materials directly from Russia or Ukraine, which includes any Steel or Iron.*

*We will continue to monitor the situation and work with our suppliers to mitigate any supply risks.*

*We appreciate your patience and understanding during this difficult time and are always willing to answer any questions as needed.*

*Thank you,*

*Jeffrey Popp  
Direct of Global Supply Chain
