Proposition 65 Compliance Statement

Knowles Precision Devices is a leading supplier of electronic components, supporting proposition 65 the safe Drinking Water and Toxic Enforcement Act of 1986 and customer requirements of our industry.

Proposition 65 the Safe Drinking Water and Toxic Enforcement Act of 1986

Proposition 65 requires businesses to provide warnings to California about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 list of chemicals known to cause cancer, birth defects or other reproductive harm 65

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

List of Statements

[Microwave Products, Single Layer Capacitors, JR & JZ trimmers, Non-Magnetic Hardware, & Resonators \(Page2\) Tables A & B](#)

[Multilayer Capacitors, Radial Leaded, Ribbon Leaded, EMI Filters, Trimmers, Tuning tools, & Variable Inductors \(Pages 3 to 5\) Tables C to E](#)

Microwave Products, Single Layer Capacitors, JR & JZ trimmers, Non-Magnetic Hardware, & Resonators

Proposition 65 chemicals with risk of exposure in Knowles Cazenovia products

Chemical	CASRN
Lead and Lead Compounds	7439-92-1

Table A: Knowles Cazenovia (Cazenovia)

Product	Description	Compliance  WARNING
(Knowles DLI Brand) Single-Layer Capacitors	Devices with Leads	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
	Devices without Leads	This product has no risk of exposure to Proposition 65 chemicals
(Knowles DLI Brand) Thin Film Devices	Devices with Metal Covers	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
	Devices without Covers	This product has no risk of exposure to Proposition 65 chemicals
(Knowles Voltronics Brand) JR(L)/JZ(L) Trimmer capacitors	All	This product has no risk of exposure to Proposition 65 chemicals
(Knowles Voltronics Brand) Non-Magnetic Hardware	All	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

Proposition 65 chemicals with risk of exposure in Knowles San Diego IMC brand products

Chemical	CASRN
Nickel plating	7440-02-0
Lead and Lead Compounds	7439-92-1
Silica	112945-52-5

Table B: Knowles Cazenovia (San Diego)

Product	Description	Compliance  WARNING
---------	-------------	---

(Knowles IMC Brand) Filters	All	This product can expose you to chemicals including Nickel plating, Lead, and Silica, which are known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
(Knowles IMC Brand) Resonators	All	This product has no risk of exposure to Proposition 65 chemicals

Multilayer Capacitors, Radial Leaded, Ribbon Leaded, EMI Filters, Trimmers, Tuning tools, & Variable Inductors

Proposition 65 chemicals with risk of exposure in Knowles Valencia MLCC brand products	
Chemical	CASRN
Lead and Lead Compounds	7439-92-1

Table C: Knowles Novacap (Valencia)

Product	Description	 Compliance WARNING
(Knowles Novacap Brand) MLCC	Any chip capacitors with termination codes Y, D, E, P, S (Except PS) any radial leaded parts with LE,LD, or LB.	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
(Knowles Novacap Brand) MLCC	All other	This product has no risk of exposure to Proposition 65 chemicals

Proposition 65 chemicals with risk of exposure in Knowles Syfer MLCC brand products	
Chemical	CASRN
Lead and Lead Compounds	7439-92-1

Table D: Knowles Syfer (Suzhou)

Product line	Description	 Compliance WARNING
(Knowles Syfer Brand) Multilayer Capacitors	Dielectric codes B,R,N,T with termination codes F,J,Q,Y and Suffix code HPB	This product has no risk of exposure to Proposition 65 chemicals

	Dielectric codes B,R,N,T with termination codes H,A,6,7 and Suffix code HPB	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
	Dielectric codes A,B,C,D,E,F,G,H,J,K,N,P,Q,R,S,T,U,V,X with termination codes F,G,J,Q,Y,2,3	This product has no risk of exposure to Proposition 65 chemicals
	Dielectric codes A,B,C,D,E,F,G,H,J,K,N,P,Q,R,S,T,U,V,X with termination codes H,A,4,5,6,7	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
(Knowles Syfer Brand) Radial Leaded Capacitors	Termination codes C,X,B,R with Suffix code C42	This product has no risk of exposure to Proposition 65 chemicals
	Termination codes C,X, with Suffix code A31,A97	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
(Knowles Syfer Brand) Ribbon Leaded Capacitors	Dielectric codes Q with termination code B	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
	Dielectric codes Q with termination code V	This product has no risk of exposure to Proposition 65 chemicals
(Knowles Syfer Brand) Surface mount EMI Filters	Filter series SB** with Dielectric codes C,X	This product has no risk of exposure to Proposition 65 chemicals
	Filter series SB** with Dielectric codes C,X and Suffix code /0107	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
(Knowles Syfer Brand) Panel mount EMI Filters	Filter series SFS* with Dielectric codes C,X	This product has no risk of exposure to Proposition 65 chemicals
(Knowles Syfer Brand) Bolt-in Panel mount EMI Filters	Filter series SF** with Dielectric codes C,X	This product has no risk of exposure to Proposition 65 chemicals
	Filter series SF** with Dielectric codes C,X and Suffix Code /0100	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

Proposition 65 chemicals with risk of exposure in Knowles Johanson and Voltronics brand products

Chemical	CASRN
Lead and Lead Compounds	7439-92-1

Table E: Knowles Johanson & Voltronics (Dominican Republic)

	Product line	Description	 Compliance WARNING
Knowles Voltronics Brand)	Voltronics NMNT-Line, NT-Line, NMT-Line & T-Line	Devices with Copper Alloy	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
	Voltronics Q-Line	Devices with Glass dielectric structure	
	Voltronics A-Line	Devices with Copper Alloy & High Melting temperature type Solders	
	Voltronics A1-Line	Devices with Copper Alloy & High Melting temperature type Solders	
	Voltronics K-Line		
	Voltronics A4-Line		
	Product line	Description	 Compliance WARNING
(Knowles Johanson Brand)	Cera Trimmer Capacitors	Devices with ceramic dielectric structure & gold finish terminals	This product has no risk of exposure to Proposition 65 chemicals
	Thin Trimmer Capacitors		
	Seal Trimmer Capacitors		
	Ceramic Trimmer Capacitors		
	Variable Inductor	Devices variable inductor core	This product can expose you to a Lead chemical, which is known to the State of California to cause cancer, and Lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov
	Giga Trimmer	Devices with Copper Alloy	
	Tuning Element		
	Air Capacitor Trimmer		
	Dyna Trimmer	Devices with Copper Alloy & High Melting temperature type Solders	
	Cera Trimmer Capacitors	Devices with Lead in ceramic dielectric structure & gold finish terminals	
	Thin Trimmer Capacitors		
	Seal Trimmer Capacitors		
	Cera Trimmer Capacitors	Devices with ceramic dielectric structure & solder finish terminals	
	Thin Trimmer Capacitors		
	Seal Trimmer Capacitors
